TECHNICAL DATA

|                            |                          |                   |                                   |
|----------------------------|--------------------------|-------------------|-----------------------------------|
| Power:                     | 29 W CC HO (High output) | Mounting type:    | Wall, direct/indirect (WDI)       |
| Flux:                      | 975 lm                   | Power supply:     | 220-240V, 50-60Hz                 |
| CCT:                       | 4000 K                   | Control:          | Casambi                           |
| CRI:                       | >90                      | Protection Class: | I                                 |
| SDCM:                      | ≤3                       | IP:               | IP20                              |
| Durability of LED sources: | 50.000 h, L80 B10        | Material:         | Steel housing                     |
| Diffuser / Optic:          | not applicable           | Finishing:        | powder coated: fog (RAL7038), ash |
